### DeLand High School International Baccalaureate Programme Academic

#### Integrity Policy

SY 2023-2024

#### **What is Academic Honesty?**

Academic honesty is the expectation that every student at DeLand High School submits work and assessments that are a true reflection of his/her own thoughts and abilities. This includes the citation conventions required for each discipline and the acknowledgement of **any** sources utilized.

Students in the “pre-IB” and IB Diploma Programme must commit to upholding the highest standards of academic honesty and integrity. Responsibility for ensuring that all students are following ethical procedures is twofold: 1) it is the responsibility of the IB subject area teacher to instruct students in how to conduct their academic work appropriately and, 2) *it is the responsibility of the student to follow all guidelines of academic honesty, to avoid academic malpractice and to uphold the IB Learner Profile traits, especially that of being principled.*

**Additionally, UNLESS OTHERWISE INSTRUCTED, a student MAY NOT submit work that has been generated using ANY artificial intelligence application. The work of the student must be authentic and original to him/her.**

#### **What is Academic Malpractice?**

IB defines academic malpractice as:

“...behavior that results in, or may result in, the candidate or any other candidate gaining an unfair advantage in one or more assessment component. Malpractice includes:

- Plagiarism: this is defined as the representation of the ideas or work of another person as the candidate’s own
- Collusion: this is defined as supporting malpractice by another candidate, as in allowing one’s work to be copied or submitted for assessment by another.
- Duplication of work: this is defined as the presentation of the same work for different assessment components and/or diploma requirements.
- Any other behavior that gains an unfair advantage for a candidate or that affects the results of another candidate (for example, taking unauthorized material into an examination room, misconduct during an examination, falsifying a CAS record).” (IBO)
