10<sup>th</sup> grade Algebra II, Analysis of  
Functions/Trig  
11<sup>th</sup> grade Math Analysis, Pre-  
Calculus, AP Calculus AB, IB Math  
Studies  
12<sup>th</sup> grade IB Mathematics:  
Application and Interpretations;  
Mathematics: Analysis and  
Approaches

### **What is the International Baccalaureate Program?**

IB is an international academic high school program of study that leads to assessments for the IB diploma. Widely recognized as the most rigorous high school curriculum in the world, the IB program is a comprehensive and demanding pre-university course of study for highly motivated and qualified secondary school students.

### **What is the Diploma Program Curriculum?**

The DP curriculum is a comprehensive two-year program of study that has the strengths of a traditional and broad curriculum. The DP consists of six academic subjects that are studied concurrently: English, World Languages, history, experimental sciences, mathematics and the arts.

There are three additional cored requirements of the DP: the Extended Essay, Theory of Knowledge and CAS (Creativity, Activity and Service).

### **What are the benefits of the IB Program at DeLand High School?**

We offer the following:

- A school within a school
- Accelerated classes beginning in the 9<sup>th</sup> grade
- A community of engaged learners with similar academic and collegiate goals
- A full-time school counselor and a program coordinator specifically dedicated to serving IB students
- Teachers dedicated to student success
- Guidance and support in the college application process
